Join Our Team as a Secondary Computer Science Teacher

Inspire Learning. Shape Futures.

At the **International Community School, Amman (ICS)**, we believe that great teachers change lives. We are seeking a passionate and forward-thinking **Secondary Computer Science Teacher** to join our vibrant team from **August 2026**.

If you are driven by curiosity, love exploring the stories of our world, and are committed to helping young people think critically about their place in it, this is your opportunity to make a lasting difference.

About ICS

Founded in 1953, ICS is one of the longest-established international schools in Jordan.

We are an **independent, private, not-for-profit school**, governed by the **Society for the International Community in Jordan (SICJ)**. Our diverse community represents over 60 nationalities, united by a shared belief in the power of education to transform lives.

Our curriculum is based on the English National Curriculum, enriched by global perspectives and deeply informed by the cultural heritage of our host country. We are proud to be a school where both students and staff embody our mission:

"To harness the power of human connection to create fearlessly determined global citizens."

About the Role

As a Computer Science Teacher, you will deliver engaging, inquiry-led lessons that connect the local and global, the past and the present. You will guide students in understanding human and physical processes, analysing change over time, and developing a deep appreciation of global interdependence.

Your responsibilities will include:

Email: office@ics.edu.jo | Website: www.ics.edu.jo | Telephone: +962 6 4790 666 | Fax: +962 6 5725 416

Our mission as an **inclusive, diverse, and happy** learning community is to harness the power of human connection to create fearlessly determined **global citizens**.

- Planning and delivering high-quality lessons in line with ICS's curriculum and learning principles.
- Fostering curiosity, debate, and critical thinking through innovative teaching methods.
- Using assessment effectively to inform planning and support student progress.
- Creating a safe, inclusive, and stimulating classroom environment.
- Supporting students' wellbeing through our pastoral care framework.
- Contributing to co-curricular activities and school life beyond the classroom.

About You

- Holds a recognised teaching qualification and relevant degree.
- Has a track record of excellence in secondary Computer Science teaching for KS3, iGCSE and Btec.
- Builds strong, positive relationships with students, colleagues, and parents.
- Is reflective, innovative, and committed to continual professional growth.
- Is enthusiastic about working within a multicultural context and embracing global-minded education.
- Models the values of optimism, open-mindedness, and collaboration central to our **#WeAreICS** ethos.

What We Offer

- A competitive salary starting at 1995 JOD per month subject to social security and tax deductions per Jordanian Law (Overseas packages include additional benefits)
- An attractive benefits package including 2 child placements at ICS (100% tuition remission) and Class A Medical Insurance for you
- Annual leave as per the school calendar.
- A vibrant, multicultural environment that values collaboration, wellbeing, and professional growth.

Safeguarding

ICS is fully committed to safeguarding and promoting the welfare of children. All appointments are subject to thorough child protection screening, including checks with previous employers and both local and international police clearances (including ICPC where applicable).

How to Apply

To apply, please submit your application via **TES/Schrole** or send your completed application (including QTS, degree certificates, and passport/ID) to: recruitment@ics.edu.jo.
