Aims of the Programme

ICS aims to provide a personalised, high-quality education, drawing on the best of British and international practice. We will continue to nurture and invest in an inclusive and diverse learning community of happy, confident and creative global citizens. We will focus our efforts on achieving this by offering a vibrant and balanced programme of Co-Curricular activities. For the Spring Term 2023 programme, you will find the addition of revision classes for exam year groups, homework support and English for beginners. Involvement in sport, music, drama, art, competitions and many other activities underpins a culture of creativity, innovation and excellence. The Co-Curricular programme also provides opportunities for service to others, action to make a difference in the world, and the development of both self-reliance and leadership skills.

EARLY YEARS

Fun Games [EY Only]

Mon

Come along to this fun sports activity where our youngest children will learn the basic elements of throwing, catching, running, skipping and jumping, and generally just having a lot of fun!

Layal Shannak

Tiny Tots [EY Only]

Tues

Our partnership with Stardust Academy has led to the creation of many different dance classes at ICS. Our "Tiny Tots" programme is an introduction to Musical Theatre. This is for our Early Years children who are beginning to learn basic performance skills. This CCA will introduce these skills, through games, and imagination.

Robyn Noftal with Stardust Academy

Football [EY Only]

Tues

In this CCA we will learn basic football skills and coordination and work on drills and strategies to move the ball, pass and maybe learn a clever trick or two! We'll practise our newly-acquired skills in friendly matches and have fun scoring with friends!

Coach Layal

Gymnastics [EY Only]

Wed

In this CCA our experienced gymnastics instructors will encourage children to try something new. The sport includes physical exercises requiring balance, strength, flexibility, agility, coordination, and endurance.

Coach Yahya & Coach Dima

Gardening with Amman Little Gardeners [EY Only]

Sun

You will be learning to grow plants, along with growing your own herbs and grasses, learning about composting and developing sustainable living and gardening practices. Expect to have lots of fun and to get your hands dirty!

Sundus Khandaqji

Exploration Stations [EY Only]

Tues

In Exploration Stations, students will rotate between art, science, nature, sport, and maths stations with hands-on activities for a chance to explore, learn and play with a variety of educational activities.

Alison Flower

Model Making with Play-Doh [EY Only]

Tues

When a child uses play dough, they are building strength in tiny hand muscles & tendons. This strength will make them ready for pencil and scissor control later on. Have fun getting creative with Play-Doh by making small models.

Diala Dabaibeh

Arts & Crafts with Darb [EY Only]

Wed

Join us for expert crafts provided by Darb Life Skills. We will get creative with colour, produce our own pieces and take them home to share.

Staff from Darb Life Skills

Magnetiles & Building Blocks [EY Only]

Wed

Magnetiles are a fabulous construction toy system. The pieces are of varying shapes that snap together magnetically, allowing children to build various geometric structures - an excellent way for our youngest learners to get creative with their hands.

Leen Karadsheh

Art, North Pole & Global Warming [EY Only]

Sun

The Orenda Tribe combines fun and purpose together during their co-curricular activities. During these sessions participants will enjoy several art activities that include animals from the North Pole and Global Warming-themed activities.

Staff from the Orenda Tribe

Art, North Pole & Global Warming [EY Only]

Mon

The Orenda Tribe combines fun and purpose together during their co-curricular activities. During these sessions participants will enjoy several art activities that include animals from the North Pole and Global Warming-themed activities.

Staff from the Orenda Tribe

Fun with Singing [EY Only]

Sun

Along with their natural need to create, discover and play, singing songs helps our youngest learners boost their vocabulary and language skills while exercising those vocal chords and making music and friends through song. Join this musically-energising CCA and sing some fun-packed tunes with us!

Marwah Shawash

Stories that Stretch [EY Only]

Sun

Join this CCA for engaging and interactive storytelling. We will be using music, props and our bodies to retell stories and create our own stories.

Tamila Adelgary

Fun with Music [EY Only]

Tues

The children will learn about different instruments and will have a chance to create different sounds and rhythms.

Iskander Al Bitar

Boogie Beebies [EY Only]

Wed

Dance, sing and play games in Boogie Beebies. Watch other children do the dance from jazz, disco to even Bollywood style and then have a go yourself!

Salma Kousar

YEAR 1

Gymnastics (Years 1 & 2)

Sun

In this CCA our experienced gymnastics instructors will encourage children to try something new. The sport includes physical exercises requiring balance, strength, flexibility, agility, coordination, and endurance.

Coach Yahya & Coach Layal

Tennis (Years 1-2)

Sun

Come and join in with our Tennis sessions at The Dunes club. Professional tennis coaches will run drills and work with you to improve your game.

Coaches from the Dunes Club

Football (Years 1-2)

Mon

In this CCA there will opportunities to learn new skills and work on drills and strategies to improve your overall game. There will be full matches, smaller competitions and a whole lot of fun!

Ahmed Isbeitan & Coach Tareq

Mixed Martial Arts (Years 1 & 2)

Tues

The Mixed Martial Arts (MMA) CCA is a non-contact, hybrid sport incorporating techniques from boxing, wrestling, judo, jiu-jitsu, karate, Muay Thai (Thai boxing), and other disciplines.

The Knights Academy and Sultan Ahmed

Taekwondo (Years 1 & 2)

Tues

The Taekwondo CCA is a systematic Korean traditional martial art, that teaches much more than physical fighting skills. It is a discipline that shows ways of enhancing life by training both the body and mind.

Coach Jude & Marwan

Fun Sports Games (Years 1 & 2)

Wed

Engage in some fun and challenging sports games and get active as each CCA session we try a new athletic activity, some requiring coordination, some teamwork, and some sheer speed. Blow off some afternoon steam and play some fun games with us!

Coach Layal

Multisports (Years 1-4)

Wed

Our multisports offer allows you to experience a range of different activities that require agility, teamwork, balance and determination!

The Knights Academy, & Coaches Murad & Shaden

Arts & Crafts (Years 1 & 2)

Sun

This Arts & Crafts CCA is a chance to get creative with colour, ribbon, sparkles and more. We will make pieces to take home, such as cards, pictures and gifts for our loved ones.

Sereen Ghannam

Stone Painting (Years 1-3)

Sun

Stone Painting is a mix of self expression and creativity on a unique, tactile surface. This type of art dates back to prehistoric times and we will explore all the different types of art that can be created on stones in this CCA and make some of our own.

Raya Mousa

Lego Construction (Years 1-3)

Sun

Lego pieces can be assembled and connected in many ways to construct objects, including vehicles, buildings, and working robots. Come and stretch your imagination to build something spectacularly unique in this LEGO CCA.

Stephen Collyer

Gardening with Amman Little Gardeners (Years 1-3)

Mon

You will be learning to grow plants, along with growing your own herbs and grasses, learning about composting and developing sustainable living and gardening practices. Expect to have lots of fun and to get your hands dirty!

Sundus Khandaqji

Pottery by Darb Life Skills (Years 1-3)

Tues

Join the Pottery Club, with Darb Life Skills, and explore the world of clay, learn all about different hand-building techniques and imaginative ways to decorate your creations. Students will be able to take their pieces home and share them with friends and family!

Staff from Darb Life Skills

Cupcake Decorating (Years 1 & 2)

Tues

Think you can't get bakery-style decorations at home? Think again! In this amazingly delicious CCA, we'll be exploring the techniques of cupcake decoration from frosting piping styles to colour, style and details that make a professional-looking cupcake.

Tenneille Alderton

Arts & Crafts by Darb Life Skills (Years 1-2)

Wed

This Crafts CCA is a chance to get creative with colour, ribbon, sparkles and more. We will make pieces to take home, such as cards, pictures and gifts for our loved ones.

Staff from Darb Life Skills

Jewellery Making (Years 1-3)

Wed

Like any other thing in life, making something meaningful does not just happen, it requires rules and certain practices for it to work, the same is true for jewellery art! This visual arts CCA will require a mix of science and intuition, utilising colour, theory, composing, and considering shapes and space to create beautiful artful jewellery.

Kate McNeil

Puppet Making (Years 1-3)

Wed

We will be making all kinds of puppets: human, animal, or abstract figures with various materials. We'll give our puppets names and personalities and then put on a puppet show to display our handiwork!

Nadin Hashweh

YEAR 1

Collage on 3D Shapes [Years 1-3]

Paper mache all kinds of objects from animals to potted plants and baubles with colourful patterns and designs to take home and enjoy as a work of art!

Basma Sharaiha

Art, North Pole & Global Warming [Years 1-3]

Sun

The Orenda Tribe combines fun and purpose together during their co-curricular activities. During these sessions participants will enjoy several art activities that include animals from the North Pole and Global Warming-themed activities.

Staff from the Orenda Tribe

Art, North Pole & Global Warming [Years 1-3]

Mon

The Orenda Tribe combines fun and purpose together during their co-curricular activities. During these sessions participants will enjoy several art activities that include animals from the North Pole and Global Warming-themed activities.

Staff from the Orenda Tribe

The Alchemist Lab [Years 1-3]

Sun

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from The Alchemist Lab

Tues

Each week the children will be given a hair design challenge where they will create plaits, knots, twists and much more. They will also have the opportunity to realise their own creations!

Georgia Roberts

Getting Crafty with Darb Life Skills (Years 3-6)

Wed

Join us for expert crafts provided by Darb Life Skills. We will get creative with colour, produce our own pieces and take them home to share.

Staff from Darb Life Skills

Finger Knitting (Years 4-6)

Wed

Finger knitting is a form of knitting where a knitted cord is created using only hands and fingers, instead of knitting needles or other traditional tools. Make intricate pieces, begin a term long project or embark on many little finger knitting projects in this versatile and relaxing CCA.

Sasha Harrison

Art for Hope with The Orenda Tribe (Years 4-6)

Sun

The Orenda Tribe combines fun and purpose together during their co-curricular activities. They will guide participants through their out-of-the-box approach to create paintings and crafts that shed light on social topics such as climate change and diversity.

The Orenda Tribe Team

Art for Hope with
The Orenda Tribe
[Years 4-6]

Mon

The Orenda Tribe combines fun and purpose together during their co-curricular activities. They will guide participants through their out-of-the-box approach to create paintings and crafts that shed light on social topics such as climate change and diversity.

The Orenda Tribe Team

Bookworms
[Years 3-6]

Sun

Are you a bookworm? Do you get lost in stories and find it hard to put them down? Then this CCA is for you! We'll be exploring the most amazing stories in a full, undivided hour where you can curl up in a cosy space and read the afternoon away.

Sophie Yates

Makey Makeys
[Years 3-6]

Sun

Makey Makey lets you transform everyday objects into computer interfaces. Make a game pad out of Play-Doh, a musical instrument out of bananas, or any other invention you can imagine. Join this programming CCA and explore an invention kit for the 21st Century.

Ben Alderton

Arabic for
Beginners
[Years 4-7]

Sun

Join us in this CCA to learn basic Arabic and to get an understanding of commands and greetings. Use your new skills when you are out and about in Amman and find new ways to communicate with your friends. Yalla!

Majd Ismail

The Alchemist
Lab
[Years 4-8]

Sun

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from The Alchemist Lab

Thinking Stories
to Wake Up Your
Mind
[Years 3 & 4]

Sun

Each week we will read an exciting and descriptive short story with no ending. We will then discuss the story to help develop our information processing, reasoning, enquiry, creativity, evaluation and metacognition. Finally, we will create our own endings and share as a group.

Alex Harrison

The Alchemist
Lab
[Years 4-8]

Mon

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from The Alchemist Lab

The Riddlers
[Years 4-6]

Mon

Become an ICS Riddler by solving complex word puzzles that have a double or veiled meaning. Every riddle is put forth as a puzzle to be solved. Be clever and crack the wordy codes with us!

Aseel Qanaze

YEAR 4

Sphero Robotics (Years 4 & 5)

Mon

Come and explore our Sphero BOLT robots! You will discover how to programme them to roll through obstacle courses, light up with bright coloured lights, "talk" to each other, play games and more. As we learn more we may even tell stories with multiple robots working together!

Alun Yorath

Applied Digital Skills (Year 4-6)

Tues

Come and join this CCA to learn a range of skills that will enhance your knowledge and understanding of educational technology.

Farah Joukhadar

Spelling Decathalon (Years 3-6)

Tues

Join our Spelling Decathalon CCA and get ready to learn how to spell a broad selection of words. We will work together to prepare for fun competitions.

Raneem Hassouneh

Media, Animation & Broadcasting (Year 3-7)

Tues

Students will be making video magic with special effects, animating comic strips to come to life, and recording and broadcasting the latest in ICS student news.

Michael Torrington

Times Tables Rockstars (Years 1-6)

Wed

Times Tables Rock Stars is an award-winning maths learning platform where children can practise their times tables of multiplication and division like a rock star! Suitable for all levels and learners.

Amy Urquhart

Chess (Years 3-6)

Wed

Join us in playing Chess every week. There are small groups for beginners, online leagues, and some exciting matches ahead as we play and improve our skills in this fiercely competitive game.

JB Savage, Matthew Lee & Raed Al Ramahi

Writing Poetry (Years 3 & 4)

Wed

Join this CCA to explore your inner creative writer. This is a beginner class for students who wish to write their own poetry.

Heather Buckley

Broadway Kids (Years 3-6)

Sun

Our partnership with Stardust Academy has led to the creation of many different dance classes at ICS. Our "Broadway Kids" CCA is a performance class for those who are beginning to learn the skills to act, sing and dance. This CCA will offer the training necessary to develop the skills that enable students to become serious, polished performers.

Staff from Stardust Academy

Musical Band
(Years 4-6)

Sun

Do you want to join the school band and entertain us with a range of songs? The music band will be an ensemble of instruments played together to make musical magic!

Iskander Al Bitar

Ballet
(Years 2-6)

Wed

Stardust Academy is a leading light in the performance arena in Amman. It is Jordan's first fully-fledged performing arts school for all ages. Our partnership with this incredible school has led to the creation of many different dance classes at ICS. In the Ballet CCA, students will learn and develop basic ballet techniques through exercises, barre work, and core work.

Stardust Academy

YEAR 5

Swim Team (Years 5-13) *Invitation Only*

Sun-Wed

This CCA is invitation only and runs Sunday to Wednesday. It is for those students who are selected to be members of the ICS swim team.

Coaches at Dunes Club

Netball (Years 5-7)

Sun

Have a great time playing this fast-paced and skill-building game. Learn how to play in various positions on the court, and engage in fun and friendly games.

Shaden Alkassaji

Taekwondo (Years 3-5)

Sun

The Taekwondo CCA is a systematic Korean traditional martial art, that teaches much more than physical fighting skills. It is a discipline that shows ways of enhancing life by training both the body and mind.

Coaches Jude & Marwan

Fencing (Years 5 & 6)

Mon

Fencing is a recreational sport of swordplay that can be enjoyed by people of any age, and offers a multitude of benefits. It is both a physical and a mental workout, in which fencers learn to hone their strategies against opponents of varying skill levels, and build up physical endurance, agility, and accuracy. Join us in the Fencing CCA and watch your confidence, fitness and overall skills develop.

Ala'a Al Qinneh

Gymnastics (Years 4-6)

Tues

In this CCA our experienced gymnastics instructors will encourage children to try something new. The sport includes physical exercises requiring balance, strength, flexibility, agility, coordination, and endurance.

Coach Yahya & Coach Anas

Fencing (Years 3-6)

Tues

Fencing is a recreational sport of swordplay that can be enjoyed by people of any age, and offers a multitude of benefits. It is both a physical and a mental workout, in which fencers learn to hone their strategies against opponents of varying skill levels, and build up physical endurance, agility, and accuracy. Join us in the Fencing CCA and watch your confidence, fitness and overall skills develop.

Coach Murad

Basketball (Years 5 & 6)

Tues

In this CCA there will opportunities to learn new skills and work on drills and strategies to improve your overall game. There will be full matches, smaller competitions and a whole lot of fun!

Coach Shaden

Tennis (Years 5-6)

Tues

Come and join in with our Tennis sessions at The Dunes club. Professional tennis coaches will run drills and work with you to improve your game.

Coaches at the Dunes Club

Cheerleading [Years 4-6]

Wed

The Cheerleading CCA promotes teamwork through sport in which elements of dance and acrobatics are combined with shouted slogans in order to entertain, encourage and engage in friendly competition. Join us and get C-H-E-E-R-I-N-G!

Sasha Tomoq

Football [Year 5-6]

Wed

In this CCA there will opportunities to learn new skills and work on drills and strategies to improve your overall game. There will be full matches, smaller competitions and a whole lot of fun!

Ahmed Isbeitan

Mixed Martial Arts [Years 5-6]

Wed

The Mixed Martial Arts (MMA) CCA is a non-contact, hybrid sport incorporating techniques from boxing, wrestling, judo, jujitsu, karate, Muay Thai (Thai boxing), and other disciplines.

Coach Moe Rifat

Mandala Art [Years 3-6]

Sun

Learn how to draw and colour a range of traditional patterns from around the world in this fun art club with Dalia of Dalia's Art and Candles.

Dalia Batshon

Siba's Creative Art [Years 4-8]

Sun

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from Alchemist Lab

Sphero Robotics [Years 6 & 7]

Sun

Come and explore our Sphero BOLT robots! You will discover how to programme them to roll through obstacle courses, light up with bright coloured lights, "talk" to each other, and play games. As we learn more, we may even tell stories with multiple robots working together!

Geoffrey Barham

Journalism & Yearbook [Years 6-10]

Sun

Yearbook Journalism Club will give students the opportunity to leave a lasting impression on the memory of the school year by creating newsletters and yearbooks which will be shared with the whole community. Students will learn to be photographers, journalists, graphic designers and marketing planners.

Maclaran Webb

The Alchemist Lab [Years 4-8]

Mon

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from The Alchemist Lab

The Riddlers [Years 4-6]

Mon

Become an ICS Riddler by solving complex word puzzles that have a double or veiled meaning. Every riddle is put forth as a puzzle to be solved. Be clever and crack the wordy codes with us!

Aseel Qanaze

World Scholar's Competition [Year 6-10]

Tues

We will be engaging with the World Scholar's Cup curriculum, taking part in challenges and debating. For this CCA you will need to commit to completing some additional individual and group study. We will hopefully competing with other schools moving forward!

Matthew Lee, Rebecca Foster Jerome Boruszewski

Applied Digital Skills [Year 4-6]

Tues

Come and join this CCA to learn a range of skills that will enhance your knowledge and understanding of educational technology.

Farah Joukhadar

Media, Animation & Broadcasting [Year 3-7]

Tues

Students will be making video magic with special effects, animating comic strips to come to life, and recording and broadcasting the latest in ICS student news.

Michael Torrington

Spelling Decathlon [Years 3-6]

Tues

Join our Spelling Decathlon CCA and get ready to learn how to spell a broad selection of words. We will work together to prepare for fun competitions.

Raneem Hassouneh

YEAR 6

TedX Public Speaking (Years 6-9)

Wed

With TedX symposiums as our standard, get inspired and be part of the change. Come and learn essential public speaking skills, watching speakers and practicing your skills to orate an engaging and interesting speech to keep an audience hanging off your every word.

Sarah Deighan

Touch Typing (Years 5-10)

Wed

Touch typing (also called blind typing, or touch keyboarding) is a style of typing. Although the phrase refers to typing without using the sense of sight to find the keys—specifically, a touch typist will know their location on the keyboard through muscle memory. Improve your speed and accuracy with TypeClub to become a master at typing.

Ben Hawkins

Times Tables Rockstars (Years 1-6)

Wed

Times Tables Rock Stars is an award-winning maths learning platform where children can practise their times tables of multiplication and division like a rock star! Suitable for all levels and learners.

Amy Urquhart

Chess (Years 3-6)

Wed

Join us in playing chess every week. There are small groups for beginners, online leagues, and some exciting matches ahead as we play and improve our skills in this fiercely competitive game.

JB Savage, Matthew Lee & Raed Ramahi

Broadway Kids (Years 3-6)

Sun

Our partnership with Stardust Academy has led to the creation of many different dance classes at ICS. Our "Broadway Kids" CCA is a performance class for those who are beginning to learn the skills to act, sing and dance. This CCA will offer the training necessary to develop the skills that enable students to become serious, polished performers.

Staff from Stardust Academy

Musical Band (Years 4-6)

Sun

Do you want to join the school band and entertain us with a range of songs? The music band will be an ensemble of instruments played together to make musical magic!

Iskander Al Bitar

School Production (Years 5-13)

Mon

This CCA is only for those students who have already signed up to be a part of the cast or crew of 'Aladdin.' Cast and crew members have been signed up. New students are very welcome to join the backstage crew.

Stardust Academy, Ben Daniels & Mark Winn & Molly Robinson

Ukelele (Years 5-7)

Tues

The ukelele is a member of the lute family of instruments of Portugese origin and popularised in Hawaii. It is known for its soft harmonious sound when strummed. Come and learn how to play.

Ramez Haddad

Ballet
Years 2-6]

Wed

Stardust Academy is a leading light in the performance arena in Amman. It is Jordan's first fully-fledged performing arts school for all ages. Our partnership with this incredible school has led to the creation of many different dance classes at ICS. In the Ballet CCA, students will learn and develop basic ballet techniques through exercises, barre work, and core work.

Stardust Academy

YEAR 7

Swim Team (Years 5-13) *Invitation Only*

Sun-Wed

This CCA is invitation only and runs Sunday to Wednesday. It is for those students who are selected to be members of the ICS swim team.

Sevene Ghandour

U12 & U14 Athletics Boys & Girls Teams (Years 6-9)

Sun & Tues

This CCA is invitation only and runs practices Sunday and Tuesday. It is for those students who are selected to be members of the ICS Basketball team. Join the Basketball CCA to develop your offensive and defensive skills with drills, individual strategies and game play.

Coach Shaden

U12 Basketball Boys & Girls Teams (Year 7 Only)

Mon & Wed

This CCA is invitation only and runs practices Monday. It is for those students who are selected to be members of the ICS U12 Basketball team. In this team, you'll develop your offensive and defensive skills with drills, individual strategies and game play.

Coaches Nader & Ahmed

Football Boys & Girls Teams (Years 7 & 8)

Mon & Wed
4-5pm

This CCA is invitation only and runs practices Monday and Wednesday from 4-5pm. It is for those students who are selected to be members of the ICS Football team. Join the Football CCA to develop your offensive and defensive skills with drills, individual strategies and game play.

Coaches Nader & Ahmed

Rugby (Years 6-13)

Sun

Our Rugby CCA is about taking part, having fun and keeping active. No matter if you're new to the game, you've played before or you just want to get back into the game, join us for lots of fun!

Ellie Jack & Maha Takrouri

Netball (Years 5-7)

Sun

Have a great time playing this fast-paced and skill-building game. Learn how to play in various positions on the court, and engage in fun and friendly games.

Shaden Alkassaji

Fencing (Years 7-13)

Sun

Fencing is a recreational sport of swordplay that can be enjoyed by people of any age, and offers a multitude of benefits. It is both a physical and a mental workout, in which fencers learn to hone their strategies against opponents of varying skill levels, and build up physical endurance, agility, and accuracy. Join us in the Fencing CCA and watch your confidence, fitness and overall skills develop.

Coach Murad

Boxing (Years 7-13)

Mon

Come along and join us for our boxing CCA and enjoy an all-encompassing physical programme.

Coach Moe Rifat

Cheerleading [Years 7-13]

Mon

The Cheerleading CCA promotes teamwork through sport in which elements of dance and acrobatics are combined with shouted slogans in order to entertain, encourage and engage in friendly competition. Join us and get C-H-E-E-R-I-N-G!

Sasha Tomoq

HIIT [Years 7-13]

Tues

Join the HIIT CCA to enjoy a high-intensity fitness programme incorporating elements from several sports and types of exercise. This is a perfect way to fire up the muscles and relax the mind after a day of learning!

Aoibheann Kinsella

Boxercise/ MMA [Years 7-13]

Tues

The Mixed Martial Arts (MMA) CCA is a non-contact, hybrid sport incorporating techniques from boxing, wrestling, judo, jujitsu, karate, Muay Thai (Thai boxing), and other disciplines.

Sensai Ben Daniels

Walking Outside the School [Years 7-13]

Tues

Explore the local area and walk around the breathtaking hills of Naour, breathing in the sights and the local scenery in this unique and stunning spot.

Rami Al Hoot

Cross Country [Years 7-13]

Wed

If you want to challenge yourself physically, get out in the fresh air or improve your stamina, cross-country running is for you. We will run in groups, build up distance gradually, and ensure that no-one gets left behind.

Emma Hamilton & Andy Mayfield
Howson

Tennis [Years 7-13]

Wed

Come and join in with our Tennis sessions at The Dunes club. Professional tennis coaches will run drills and work with you to improve your game.

Coaches at the Dunes Club

Crystal Canvas Diamond Painting [Years 4-9]

Sun

Join the crystal craft painting CCA to make your own sparkly and beautiful crystal canvases. The technique is similar to painting by numbers, and is sometimes called diamond painting.

Hiba Shomali

UniArt Furniture Upcycling [Years 6-13]

Sun

In this CCA, you will learn how to take something old, broken or unused and give it a new lease of life. Join this club to upcycle and reimagine a wide range of functionality for furniture.

Staff from UniArt

YEAR 7

Etamine Embroidery for Beginners [Years 7-13]

Sun

Etamine is a loosely woven fabric with a similar structure to voile or a mesh, making it easy for beautifully crafted cross stitching work. Come and join us to weave some beautiful designs and colours in etamine embroidery.

Zeina Azzam

Siba's Creative Art [Years 4-8]

Sun

Join Siba in this Creative Art class and learn how to experiment and create freely within a range of art & design disciplines including: drawing, painting and printmaking. Create something wonderful to share with a loved one!

Siba Musharbash

Origami [Years 7-13]

Sun

Come and make some fascinating and mind bending objects out of paper! Learn this traditional Japanese art, and make paper come to life.

Jamie Haddad

Stained Glass, Mosaic & Pottery [Years 7-13]

Mon

Join this artistic handicrafts CCA and work with the mixed media of stained glass, mosaics and pottery. Students will learn how to create incredible pieces inspired by the cultures and traditions of the Levant!

Staff from Darb Life Skills

UniArt Fashion Design [Years 7-13]

Mon

Fashion design is the art of creating clothing and accessories. Join us to explore a range of different styles and approaches and realise your own fabulous creations.

Staff from UniArt

UniArt Handmade Accessories [Years 6-13]

Tues

Join us in the art of creating wearable accessories by exploring a range of different styles and approaches and realise and show off your own fabulous creations.

Staff from UniArt

UniArt Landscape Drawing [Years 6-13]

Tues

A landscape painting or drawing refers to an artwork whose primary focus is natural scenery, such as mountains, forests, cliffs, trees, rivers, valleys, etc. If you want to learn how to create beautiful landscapes, this CCA will help you get started!

Staff from UniArt

Paper Mosaics [Years 7-9]

Tues

Create a masterpiece from tiles of coloured paper based on inspiring examples of mosaic art from Jordan. Each week we'll be creating a new work with a variety of colours and shapes.

Asma Salameh

Art Healing by UniArt [Years 6-13]

Wed

The healing arts are creative practices that promote healing, wellness, coping and personal change. In this CCA led by UniArt we'll be engaging in traditional healing arts to express ourselves and explore our emotions in a creative, visual way including music, art, poetry/writing, and more.

Staff from UniArt

Creating Stickers with UniArt [Years 6-13]

Wed

Transform your favourite drawings and sketches into stickers you can stick around the world! Share your newly printed designs with friends, paste in the yearbook or decorate your school planner with your personalised artwork!

Staff from UniArt

Mural & Set Design Painting [Years 7-13]

Wed

Design and create murals and the set design for the whole school production opportunity to learn how to design and paint large wall murals in the school. You will be involved in the ideas, designing and execution of a large mural on a selected wall within the school campus. We will be using a variety of media to produce the most exciting and vibrant mural we possibly can!

Nikki Williams

Operation Renovation [Years 7-13]

Mon

In this service learning CCA, students will be supporting the Ladies of Naour Nursery Society to renovate and update their nursery. Be a part of the change happening in the local community by improving the space the littlest community members stay to make it as warm and welcoming as possible.

Dina Shomali & Fatima Nasser

Arabic for Beginners [Years 4-7]

Sun

Join us in this CCA to learn basic Arabic and to get an understanding of commands and greetings. Use your new skills when you are out and about in Amman and find new ways to communicate with your friends. Yalla!

Majd Ismail

The Alchemist Lab [Years 4-8]

Sun

The Alchemist Lab is a social enterprise based in Jordan. They aim to provide children in Jordan with high-quality STEM education and 21st century skills to bridge the gender gap and empower a generation of children to be problem solvers. This fun science CCA will do exactly as it says: teach children about science in a fun and engaging way!

Staff from Alchemist Lab

Sphero Robotics [Years 6 & 7]

Sun

Come and explore our Sphero BOLT robots! You will discover how to programme them to roll through obstacle courses, light up with bright coloured lights, "talk" to each other, and play games. As we learn more, we may even tell stories with multiple robots working together!

The Cheerleading CCA promotes teamwork through sport in which elements of dance and acrobatics are combined with shouted slogans in order to entertain, encourage and engage in friendly competition. Join us and get C-H-E-E-R-I-N-G!

Sasha Tomoq

Boxing (Years 7-13)

Mon

Come along and join us for our boxing CCA and enjoy an all-encompassing physical programme.

Coach Moe Rifat

HIIT (Years 7-13)

Tues

Join the HIIT CCA to enjoy a high-intensity fitness programme incorporating elements from several sports and types of exercise. This is a perfect way to fire up the muscles and relax the mind after a day of learning!

Aoibheann Kinsella

**Boxercise/
MMA**
[Years 7-13]

Tues

The Mixed Martial Arts (MMA) CCA is a non-contact, hybrid sport incorporating techniques from boxing, wrestling, judo, jiu-jitsu, karate, Muay Thai (Thai boxing), and other disciplines.

Sensai Ben Daniels

**Walking Outside
the School**
[Years 7-13]

Tues

Explore the local area and walk around the breathtaking hills of Naour, breathing in the sights and the local scenery in this unique and stunning spot.

Rami Al Hoot

Tennis
[Years 7-13]

Wed

Come and join in with our Tennis sessions at The Dunes club. Professional tennis coaches will run drills and work with you to improve your game.

Coaches at the Dunes Club

Cross Country
[Years 7-13]

Wed

If you want to challenge yourself physically, get out in the fresh air or improve your stamina, cross-country running is for you. We will run in groups, build up distance gradually, and ensure that no-one gets left behind.

Emma Hamilton & Andy Mayfield
Howson

YEAR 9

Etamine Embroidery for Beginners (Years 7-13)

Sun

Etamine is a loosely woven fabric with a similar structure to voile or a mesh, making it easy for beautifully crafted cross stitching work. Come and join us to weave some beautiful designs and colours in etamine embroidery.

Zeina Azzam

Crystal Canvas Diamond Painting (Years 4-9)

Sun

Join the crystal craft painting CCA to make your own sparkly and beautiful crystal canvases. The technique is similar to painting by numbers, and is sometimes called diamond painting.

Hiba Shomali

UniArt Furniture Upcycling (Years 6-13)

Sun

In this CCA, you will learn how to take something old, broken or unused and give it a new lease of life. Join this club to upcycle and reimagine a wide range of functionality for furniture.

Staff from UniArt

Origami (Years 7-13)

Sun

Come and make some fascinating and mind bending objects out of paper! Learn this traditional Japanese art, and make paper come to life.

Jamie Haddad

Stained Glass, Mosaic & Pottery (Years 7-13)

Mon

Join this artistic handicrafts CCA and work with the mixed media of stained glass, mosaics and pottery. Students will learn how to create incredible pieces inspired by the cultures and traditions of the Levant!

Staff from Darb Life Skills

UniArt Fashion Design (Years 7-13)

Mon

Fashion design is the art of creating clothing and accessories. Join us to explore a range of different styles and approaches and realise your own fabulous creations.

Staff from UniArt

UniArt Handmade Accessories (Years 6-13)

Tues

Join us in the art of creating wearable accessories by exploring a range of different styles and approaches and realise and show off your own fabulous creations.

Staff from UniArt

UniArt Landscape Drawing (Years 6-13)

Tues

A landscape painting or drawing refers to an artwork whose primary focus is natural scenery, such as mountains, forests, cliffs, trees, rivers, valleys, etc. If you want to learn how to create beautiful landscapes, this CCA will help you get started!

Staff from UniArt

Paper Mosaics (Years 7-9)

Tues

Create a masterpiece from tiles of coloured paper based on inspiring examples of mosaic art from Jordan. Each week we'll be creating a new work with a variety of colours and shapes.

Asma Salameh

Art Healing by UniArt (Years 6-13)

Wed

The healing arts are creative practices that promote healing, wellness, coping and personal change. In this CCA led by UniArt we'll be engaging in traditional healing arts to express ourselves and explore our emotions in a creative, visual way including music, art, poetry/ writing, and more.

Staff from UniArt

Creating Stickers with UniArt (Years 6-13)

Wed

Transform your favourite drawings and sketches into stickers you can stick around the world! Share your newly printed designs with friends, paste in the yearbook or decorate your school planner with your personalised artwork!

Staff from UniArt

Mural & Set Design Painting (Years 7-13)

Wed

Design and create murals and the set design for the whole school production opportunity to learn how to design and paint large wall murals in the school. You will be involved in the ideas, designing and execution of a large mural on a selected wall within the school campus. We will be using a variety of media to produce the most exciting and vibrant mural we possibly can!

Nikki Williams

Operation Renovation (Years 7-13)

Mon

In this service learning CCA, students will be supporting the Ladies of Naour Nursery Society to renovate and update their nursery. Be a part of the change happening in the local community by improving the space the littlest community members stay to make it as warm and welcoming as possible.

Dina Shomali & Fatima Nasser

EAL Support for Newcomers (Years 7-13)

Sun

This CCA is for children who are second language English learners. Join this CCA to work on language acquisition.

Samah Hashem

Journalism & Yearbook (Years 6-10)

Sun

Yearbook Journalism Club will give students the opportunity to leave a lasting impression on the memory of the school year by creating newsletters and yearbooks which will be shared with the whole community. Students will learn to be photographers, journalists, graphic designers and marketing planners.

Maclaran Webb

Bayt Al Hikma Diploma Support (Years 9 & 12)

Tues

Join this CCA to aid you in your journey to plan and carry out the projects and activities required to fulfill your Bayt Al Hikma passport requirements. Session leaders will guide you on the best way to complete each section and how to get to very most out of your journey through Bayt al Hikma.

Zahida Khan

YEAR 9

Model United Nations [Years 9-13]

Tues

You will be assigned a country to research and play the part of. You will then take part in simulated MUN debates and resolution writing with the aim of coming up with solutions to real-world problems. We will train you to take part in external MUN conferences that are held around Jordan and online.

Michelle Brinn

World Scholar's Competition [Year 6-10]

Tues

We will be engaging with the World Scholar's Cup curriculum, taking part in challenges and debating. For this CCA you will need to commit to completing some additional individual and group study. We will hopefully be competing with other schools moving forward!

Matthew Lee, Rebecca Foster Jerome Boruszewski

Spanish Native [Years 7-13]

Tues

Ven y únete a esta sesión para hablantes de Español donde vamos a explorar la cultura y el idioma español además de aquello que interese a los estudiantes. Los estudiantes tendrán la oportunidad de practicar la lectura, la escritura, la comprensión oral y sobre todo hablar en español a la vez de investigar cosas nuevas sobre el mundo hispano y discutirlos en grupo.

Cristian Garcia

Archeology CCA [Years 7-13]

Tues

Study the human past through material remains, learning about objects that people created, modified, or used, especially in the historically rich area of Jordan. Analyse artefacts including tools, clothing, and decorations and explore the topics of non-portable remains such as pyramids and ancient architecture.

Verity Worthington

Touch Typing [Years 5-10]

Wed

Touch typing (also called blind typing, or touch keyboarding) is a style of typing. Although the phrase refers to typing without using the sense of sight to find the keys—specifically, a touch typist will know their location on the keyboard through muscle memory. Improve your speed and accuracy with TypeClub to become a master at typing.

Ben Hawkins

TedX Public Speaking [Years 6-9]

Wed

With TedX symposiums as our standard, get inspired and be part of the change. Come and learn essential public speaking skills, watching speakers and practicing your skills to orate an engaging and interesting speech to keep an audience hanging off your every word.

Sarah Deighan

Chess [Years 3-13]

Wed

Join us in playing Chess every week. There are small groups for beginners, online leagues, and some exciting matches ahead as we play and improve our skills in this fiercely competitive game.

JB Savage, Matthew Lee & Raed Ramahi

Sphero Robotics [Years 8 & 9]

Wed

Come and explore our Sphero BOLT robots! You will discover how to programme them to roll through obstacle courses, light up with bright coloured lights, "talk" to each other, play games and participate in EV3 competitions. As we learn more, we may even tell stories with multiple robots working together!

Hiba Tobji

Vocal Group [Years 7-13]

Sun

Join a group of ICS singers who sing and harmonise together. This team CCA help students to sing in harmony, teach them to hear sounds accurately, and find themselves in teamwork. Most of all, however, it is a place where singers find themselves in a group of people with similar interests.

Mark Winn

School Production [Years 5-13]

Mon

This CCA is only for those students who have already signed up to be a part of the cast or crew of 'Aladdin.' Cast and crew members have been signed up. New students are very welcome to join the backstage crew.

Stardust Academy, Ben Daniels & Mark Winn & Molly Robinson

Lights, Camera, Action! [Years 9-13]

Wed

This activity is for the budding filmmakers and techies out there. The film, sound and lighting crew will learn how to plan, shoot and edit short films for the ECO schools and Your World competitions. Students will also learn how to use the professional camera, sound and lighting equipment in preparation for the up-and-coming Aladdin performance.

Keir Dowswell

Sound Engineering/ Producing Music [Years 7-13]

Wed

Learn how to make music with digital technology. Be able to spin the decks and produce studio quality live recordings through balancing and adjusting sources.

Iskander Al Bitar

Keyboard/Theory Club [Years 7-13]

Wed

Learn basic music theory on the keyboard defining the elements that form harmony, melody, and rhythm. In this CCA you'll be able to identify compositional elements such as song form, tempo, notes, chords, key signatures, intervals, scales, and more, while learning the ins and outs of keyboarding along the way.

Mark Winn

YEAR 10

Swim Team (Years 5-13) *Invitation Only*

Sun-Wed

This CCA is invitation only and runs Sunday to Wednesday. It is for those students who are selected to be members of the ICS swim team.

Sevene Ghandour

U16 & U18 Athletics Boys & Girls (Years 10-13)

Mon & Wed

In this CCA there will opportunities to learn new skills and work on drills and strategies to improve your overall game. There will be full matches, smaller competitions and a whole lot of fun!

Coach Moe Rifat & Coach Zaid Taha

Basketball U16 & U18 Boys Team (Years 10-13)

Mon & Wed
4-5pm

This CCA is invitation only and runs practices Monday and Wednesday from 4-5pm. It is for those students who are selected to be members of the ICS Basketball team. Join the Basketball CCA to develop your offensive and defensive skills with drills, individual strategies and game play.

Coach Nader & Coach Ahmad

Basketball U16 & U18 Girls Team (Years 10-13)

Mon & Wed
4-5pm

This CCA is invitation only and runs practices Monday and Wednesday from 4-5pm. It is for those students who are selected to be members of the ICS Basketball team. Join the Basketball CCA to develop your offensive and defensive skills with drills, individual strategies and game play.

Coach Nader & Coach Ahmad

Basketball for All (Years 10-13)

Sun

In this CCA there will opportunities to learn new skills and work on drills and strategies to improve your overall game. There will be full matches, smaller competitions and a whole lot of fun!

Coach Nader

Fencing (Years 7-13)

Sun

Fencing is a recreational sport of swordplay that can be enjoyed by people of any age, and offers a multitude of benefits. It is both a physical and a mental workout, in which fencers learn to hone their strategies against opponents of varying skill levels, and build up physical endurance, agility, and accuracy. Join us in the Fencing CCA and watch your confidence, fitness and overall skills develop.

Coach Murad

Rugby (Years 6-13)

PAYMENT INFORMATION

Paid Co-Curricular Activities

ICS has made a real commitment to making the CCA programme the very best it can be and one of the best in the region! We want to encourage as many children to participate in as many activities as possible. Please consider the choices of your child or children and encourage them to sign up for something new and different. We are subsidising the entire offer, and will have only two paid options within the whole programme. Those paid options are:

- 'The Dunes' Tennis
- Dance classes with Stardust Academy

Each of these activities is being offered for **50JD for the full term** and will therefore cost just over 5JD per child, per class. This charge is heavily subsidised

and we believe it represents excellent value for money. All transport to and from the CCA venue is also included in the price.

Should you decide that you wish to select one or more paid CCAs for your child/children then you will be asked to make the **payment for the whole term before the deadline of Wednesday 14th December at 4:00 pm**. In order to be fair to all families, we cannot accept the selection for anyone who does

not meet this deadline, and we will offer the place to the next child on the waiting list.

Please note that the 50JD is a non-refundable, non-transferable payment.

Ways to pay for your child's CCAs:

Sealed envelope sent into school and taken to the Finance department by your child - please bear in mind that class teachers and tutors are not allowed to collect money on behalf of your child and so it must go directly to Finance.

Bring the amount to school and pay in person (parent) at the Finance department (please remember to present your parent ID badge to Security)

Pay via bank transfer to:

Bank Al Etihad

Name: International Community School

Account number:

JOD: 0010100264515101 IBAN: JO96UBSI1010000010100264515101

USD: 0010200264515101 IBAN: JO58UBSI1010000010200264515101

SWIFT Code: UBSIJOAXXX

You must state the name of your child and the name of the activity and also send a copy of your bank transfer to Dima Alzuhdi at:

d.alzuhdi@ics.edu.jo, in order to ensure that the payment is applied to your child's account and your child's place, is secured for January.

Online and mobile banking options are coming soon!
