Aims of the Programme

ICS aims to provide a personalised, high-quality education, drawing on the best of British and international practice. We will continue to nurture and invest in an inclusive and diverse learning community of happy, confident and creative global citizens. We will focus our efforts on achieving this by offering a vibrant and balanced programme of Co-Curricular activities.

Key Dates

Sunday 11 January: CCAs begin

Wednesday 11 February: CCAs pause for Ramadan

Sunday 19 April: CCAs resume

Wednesday 24 June: CCAs end for the year

Contact Details

Dina Shomali

Enrichment Coordinator d.shomali@ics.edu.io

Brian Murphy

Assistant Headteacher b.murphy@ics.edu.io

We are an inclusive school and encourage all of our children to get involved in the Co-Curricular programme of activities. If your child is in need of additional support to access a CCA, you will be contacted depending on the choices your child makes.

Guidance

On the pages which follow, CCAs are organised by year group.

Each CCA is colour coded to match with one of the below 5 categories.

If you want to know more about a particular CCA, please go to the relevant 'CCA Descriptions' section, where the CCAs have been arranged in alphabetically order and a brief description has been provided for each.

EY2

Sunday	Monday
Arts & Crafts with Darb Life Skills	Gardening with Amman Little Gardeners
Gymnastics	Football EY

Tuesday	Wednesday
Fine Motor Skills	Art Explorers
Yoga and Mindfulness Club	Drama & Music Club

Year 1

Sunday	Monday
Christian Studies	Islamic Studies by Tilawati
Islamic Studies by Tilawati	Creative Paper Crafts (Decoupage) with Ireena
Reading Stories in Arabic	Happy Crafters
Build & Paint Mini Wooden Projects by UniArt	Pottery & Ceramics by Darb Life Skills
Gardening with Amman Little Gardeners	Zumba Dance with Maya
Ballet Dancing with Maya	Gymnastics
Introduction to Horse Riding	Tennis
Judo	

Tuesday	Wednesday
Fine Motor Skills	Explore Animals
Yoga and Mindfulness Club	LEGO Legends
Crafty Arts by Darb Life Skills	Art Explorers
Creative Sewing with Ireena	Cozy Wool & Thread Crafts with Ireena
Pottery & Ceramics by Darb Life Skills	Drama & Music Club
Music and Motion	Hip Hop Dance with Rajae
Football boys & girls	Taekwondo
Taekwondo	

Year 2

Sunday	Monday
Christian Studies	Islamic Studies by Tilawati
Islamic Studies by Tilawati	Creative Paper Crafts (Decoupage) with Ireena
Reading Stories in Arabic	Happy Crafters
Build & Paint Mini Wooden Projects by UniArt	Pottery & Ceramics by Darb Life Skills
Gardening with Amman Little Gardeners	Zumba Dance with Maya
Ballet Dancing with Maya	Gymnastics
Introduction to Horse Riding	Tennis
Judo	

Tuesday	Wednesday
Sphero Robotics	Explore Animals
Crafty Arts by Darb Life Skills	LEGO Legends
Creative Sewing with Ireena	Art Explorers
Pottery & Ceramics by Darb Life Skills	Cozy Wool & Thread Crafts with Ireena
Music and Motion	Hip Hop Dance with Rajae
Football boys & girls	Fencing
Taekwondo	Taekwondo

Year 3

Sunday	Monday
Book Club	Islamic Studies by Tilawati
Christian Studies	Creative Paper Crafts (Decoupage) with Ireena
Islamic Studies by Tilawati	Happy Crafters
Puzzles & Games Club	Pottery & Ceramics by Darb Life Skills
Reading Stories in Arabic	Zumba Dance with Maya
Build & Paint Mini Wooden Projects by UniArt	Introduction to Horse Riding
Gardening with Amman Little Gardeners	Judo
Yarn Painting Club	
Ballet Dancing with Maya	
Football boys & girls	
Taekwondo	
Tennis	

Tuesday	Wednesday
Sphero Robotics	Explore Animals
TTrockstars, Numbots & Maths Games	LEGO Legends
Beads & Bands Club	Cozy Wool & Thread Crafts with Ireena
Cooking Club	Doodle Club
Creative Sewing with Ireena	Hip Hop Dance with Rajae
Furniture Upcycling with UniArt	Fencing
Mini Book Making	Judo
Pottery & Ceramics by Darb Life Skills	
Music and Motion	
Gymnastics	

Year 4

Sunday	Monday
Book Club	A Journey to Greece: Beginner's Food & Language Fun
Christian Studies	Cake Decoration
French for Advanced Students & DELF Preparation	Pottery & Ceramics by Darb Life Skills
Non - Formal Arabic speaking	Zumba Dance with Maya
Puzzles & Games Club	Fencing
Cheerleading Team (Selective)	Introduction to Horse Riding
Yarn Painting Club	Judo
Eco Club	
Football boys & girls	
Taekwondo	
Tennis	

Tuesday	Wednesday
Islamic Studies by Tilawati	Poetry Reading Corner
Sphero Robotics	Doodle Club
TTrockstars, Numbots & Maths Games	Minecraft art and pixel design club
Cheerleading Team (Selective)	Stained Glass + Decoupage Art by Darb Life Skills
Beads & Bands Club	Hip Hop Dance with Rajaee
Cooking Club	Primary Choir
Furniture Upcycling with UniArt	Cheerleading
Gardening with Amman Little Gardeners	Fencing
Mini Book Making	Gymnastics
Gymnastics	Judo

Year 5

Sunday	Monday
Book Club	Dungeons & Dragons
French for Advanced Students & DELF Preparation	A Journey to Greece: Beginner's Food & Language Fun
Global Change Makers	Cake Decoration
Non - formal Arabic speaking	Pottery & Ceramics by Darb Life Skills
Cheerleading Team (Selective)	Zumba Dancing Club

Sports CCAs

Activity	Description
Basketball	Dribble, shoot, score! Join the Basketball CCA for a slam-dunk of fun and skill-building. Perfect for young hoop enthusiasts to learn teamwork, coordination, and the love of the game.
Brazilian Jiu-Jitsu	An introduction to the fundamentals of a grappling-based martial art focused on ground fighting, submissions, and using technique and leverage to control or defeat an opponent.
Cheerleading	A high-energy CCA where students learn cheerleading moves, chants, and routines while building teamwork and school spirit!
Fencing	Fencing is a dynamic sport that builds both body and mind. In this CCA, students will develop agility, endurance, and precision while learning strategic thinking and self-discipline. Join us and discover the thrill of swordplay as your skills grow week by week!
Football boys & girls	Get ready to develop your football skills! This CCA focuses on teamwork, dribbling, passing, and shooting through engaging drills and friendly matches. Perfect for building confidence, coordination, and a love for the game!
Football EY	A fun and playful introduction to football for our youngest learners! Children will explore basic skills like kicking, running, and teamwork through simple games and activities—building confidence, coordination, and a love for the game.
Gymnastics	Flip, tumble, and stretch! This CCA helps students build strength, flexibility, and balance through fun gymnastics routines and exercises. A great way to stay active and develop coordination in a supportive environment!
Gymnastics for EY	Flip, tumble, and stretch in this fun and active CCA! Little ones will build balance, coordination, and confidence through playful gymnastics activities in a safe and supportive environment
Health and Fitness	To support the students in using this session to improve their general fitness levels, while also focusing on strengthening the specific muscles they would like to work on. Please ensure they understand the appropriate weights to use and the number of repetitions required for each exercise.

Sports CCAs

Activity	Description
Introduction to Horse Riding	This CCA introduces students to the essentials of horse riding, including safety, grooming, and communication with the horse. Students will learn mounting, balance, steering, and basic riding techniques in a safe and supportive environment.
Judo	Come and join this Japanese martial art and Olympic sport, best known for its throws and submissions. Judo offers a safe and fun way to stay active and fit while learning practical self-defense techniques.
Kickboxing	Kickboxing is a full-contact combat sport and a form of boxing based on punching and kicking. The sport is played with boxing gloves, mouth guards, shorts, and bare feet to favour the use of kicks. Kickboxing is practised for self-defense, general fitness, or for competition.
Mixed Martial Art	Discover the art of mixed martial arts! Train in a dynamic and disciplined environment, where students learn striking, grappling, and self-defense techniques. Forge strength, agility, and camaraderie in a supportive setting.
Netball	Students learn the skills and rules of netball through drills, teamwork, and friendly games. This CCA helps build coordination, fitness, and sportsmanship in a fun and active environment.
Padel Tennis	Join us at Blu Tactical for this thrilling racquet sport that combines the best elements of tennis and squash, providing an enjoyable experience for players of all ages and skill levels.
Roller Skating	This CCA is designed for students who already have at least a basic knowledge of roller skating and want to enhance their skills. Students must bring their own roller skates and protective gear, including a helmet, elbow and knee pads, and wrist guards, for a safe and enjoyable experience on wheels!
Taekwondo	The Taekwondo CCA is a systematic Korean traditional martial art, that teaches much more than physical fighting skills. It is a discipline that shows ways of enhancing life by training both the body and mind.
Tennis	Join our Tennis CCA on the rooftop! Professional coaches lead fun drills and help you improve your skills and game.

Sports CCAs

Activity	Description
Track and Field	Students practice running, jumping, and throwing events while building strength, speed, and confidence. This CCA focuses on fitness, technique, and teamwork through fun and active training sessions.
Volleyball	Volleyball is a team sport and a great way to make some new friends. Play competitively and learn a range of new skills in this exciting game which will have you breaking into a sweat and bursting into laughter.
Weight Training	A fitness-focused CCA where students learn safe weight training techniques to build strength, endurance, and overall fitness.
Yoga & Mindfulness Club	A relaxing and fun club where children explore yoga poses, breathing exercises, and mindfulness activities. Through movement and reflection, students build strength, focus, and emotional balance, helping them feel calm and confident in their daily lives.

Competitive Sports

Activity	Description
Cheerleading Team (Selective)	These sessions are specifically for students who are part of the Cheerleading Team. You will practise skills and routines as you prepare for public performances. If your child doesn't already have the uniform, there will be a payment of 50 JDs to purchase the dress.
Cross Country	If you want to challenge yourself physically, get out in the fresh air or improve your stamina, cross-country running is for you. We will run in groups, build up distance gradually, and ensure that no-one gets left behind. A highlight will be taking part in the AAC Cross Country in October.

Creative Pursuits CCAs

Activity	Description
Abstract Art	Students explore colours, shapes, and patterns to create expressive artwork. This CCA encourages creativity, imagination, and personal expression through fun, open ended art projects.
Art Explorers	This club allows young artists to experiment with different materials, techniques, and styles while discovering the joy of self-expression. Each session is an adventure into the world of colours, textures, and imagination!
Arts & Crafts with Darb Life Skills	A calm and inviting CCA where children will explore different crafts, share ideas, and engage in hands-on artistic activities tailored to their age group, fostering creativity, engagement and fun.
Beads & Bands Club	Bracelet making with beads and loom bands and hama bead designs.
Build & Paint Mini Wooden Projects by UniArt	A hands-on programme where students design and build simple wooden projects such as pencil holders or small boxes. This CCA encourages creativity and helps develop fine motor skills.
Cake Decorations	Students learn basic cake-decorating skills using simple tools and techniques. They have fun creating designs, adding colours, and decorating treats in a hands-on, creative environment.
Canva Embroidery	A creative CCA where students learn basic embroidery stitches on canvas to create colorful patterns and designs. Students develop fine motor skills, focus, and creativity while getting a sense of pride from their handmade artwork.
Cooking Club	Join us for a fun and delicious adventure in the kitchen! In Cooking Club, students will learn cooking skills, explore delicious recipes, and discover the joy of creating tasty treats
Cooking Club: Mediterranean recipes	Join us for a fun and delicious journey through the Mediterranean kitchen! In this Cooking Club, students will learn essential cooking skills while exploring traditional Mediterranean recipes—from fresh salads to simple baked goods. It's a hands-on experience that blends culture, flavor, and fun!
Cozy Wool & Thread Crafts with Ireena	Students create fun, handmade crafts using wool and thread. This CCA helps them learn basic stitching skills while enjoying relaxing, creative projects in a warm and friendly setting.

Creative Pursuits CCAs

Activity	Description
Creative Arts & Crafts	A lively session where children unleash their creativity through exciting projects, from colourful paintings to imaginative crafts, fostering a love for artistic expression in a playful and supportive environment.
Creative Paper Crafts (Decoupage) with Ireena	Unleash your creativity by transforming ordinary objects into beautiful works of art! In this club, students will learn the art of decoupage, using colourful paper, glue, and their imagination to design unique crafts and decorations. Perfect for young artists who love hands-on fun!
Creative Sewing with Ireena	Unleash your inner designer! Join this club and learn the art of stitching, crafting, and creating. From funky fabric designs to handmade treasures, let's sew our way to endless possibilities!"
Crochet Club	This is a chance for students to develop their crochet skills.
Doodle Club	Let your doodles tell a story! Join our Doodle Club and discover the joy of spontaneous creativity. From whimsical sketches to imaginative designs, unleash your pen and let your ideas flow in our fun and relaxed environment.
Everyday Magic: Co-Creating Characters, Creatures & Curiosities with GenAI	In this CCA, your ideas are the "magic words." You'll team up with AI to dream up characters, design wild scenes, make comics and posters, remix photos, and even try simple games and audio. No experience needed—just curiosity. Come and see what happens when your imagination and AI create together.
Explore Animals	A science-focused club for curious young learners who love weird and wonderful creatures. Each week, children investigate a new animal or concept—camouflage, adaptations, habitats, and life cycles—through hands-on exploration and simple experiments. Perfect for little scientists fascinated by the strange and surprising!
Furniture Upcycling with UniArt	In this creative club, students will transform old furniture into beautiful, useful pieces through painting and decoration. This hands-on experience teaches the value of sustainability, creativity, and the art of upcycling!

Creative Pursuits CCAs

Activity	Description
Gardening with Amman Little Gardeners	You will be going out to the Amman Little Gardeners centre to learn how to grow plants, along with growing your own herbs and grasses, learning about composting and developing sustainable living and gardening practices. Expect to have lots of fun and to get your hands dirty!
Gardening with Amman Little Gardeners for EY	You will be learning how to grow plants, along with growing your own herbs and grasses, learning about composting and developing sustainable living and gardening practices. Expect to have lots of fun and to get your hands dirty!
Hairstyling	Learn the basics of hairstyling! In this fun club, students will explore creative techniques to braid, twist, and style hair while developing confidence and creativity. Perfect for budding stylists!
Happy Crafters	A mixture of painting, cutting, gluing and building activities that help students develop skills and confidence in their creative abilities. We will experiment with different materials (paper, recycled items and natural elements) while learning basic art and crafting like collage, color mixing and much more.
How to Make Knitted Animals	<p>ONLY for students who already have basic knitting skills.</p> <p>If you can perform the following knitting stitches then this club is for you: Stockinette Stitch, Garter Stitch, Casting On and OFF.</p> <p>This CCA provides an opportunity to further your knitting skills and create beautiful knitted animals. You will be taught new stitches and will follow a pattern to complete a knitted animal. For examples of some of the animals you will be knitting please see @teapartycatcreations on Instagram.</p>
Loom Knitting	Discover the relaxing art of loom knitting! In this hands-on CCA, students learn to use round and straight looms to create scarves, hats, and other projects. Loom knitting is a great way to develop fine motor skills, patience, and focus, all while making something cozy and unique. No experience needed; just bring your creativity and enjoy the fun of crafting with yarn!
Macrame (knot making) & Loop Yarn by Darb Life Skills	Students learn basic macrame knotting and loop-yarn techniques to create simple, cozy crafts. This CCA builds fine-motor skills, creativity, and confidence through fun, hands-on projects.

Creative Pursuits CCAs

Activity	Description
Minecraft art and pixel design club	Students will learn the basics of pixel design using Minecraft-inspired graphics, creating characters, items, and mini scenes. The club develops digital art skills, spatial awareness, and creative confidence.
Mini Book Making	Write your own stories in miniature books.
No Bake Cooking	Learn to make a range of sweet and savoury creations that do not need any heat to prepare them.
Origami Club	Students will learn how to make different things from paper origami, becoming more complex as they go along.
Pottery & Ceramics by Darb Life Skills	Join the Pottery Club, with Darb Life Skills, and explore the world of clay, learn all about different hand-building techniques and imaginative ways to decorate your creations. Students will be able to take their pieces home and share them with friends and family!
Pottery & glazed Ceramics by Darb Life Skills	In this creative club, students will explore the art of stained glass painting, creating vibrant designs that mimic the beauty of real stained glass. They will also explore the world of clay, learn all about different hand-building techniques and imaginative ways to decorate your creations.. A perfect blend of creativity and practical design!
Sketching Club	Unleash your creativity and bring your ideas to life! In Sketching Club, you'll explore basic drawing techniques, learn to use different materials, and create your own unique art pieces. Perfect for budding young artists who love to draw and express themselves!
Stained Glass + Decoupage Art by Darb Life Skills	Students explore stained-glass effects and decoupage techniques to create colorful, decorative artwork. This CCA encourages creativity, focus, and hands-on artistic expression through fun, guided projects.
Yarn Painting Club	Yarn painting is a technique where colored yarns are pressed into a sticky substance like beeswax, resin, or glue on a surface to create a picture. Originating with the Huichol people of Mexico, who used natural glues and beeswax, it is now done as a craft using modern materials.

Service CCAs

Activity	Description
Eco Club	Eco Club is where we explore ways to protect our planet through fun, hands-on projects. We learn about recycling, environmental issues, wildlife protection, and more, all aimed at making a positive difference in our school and community. Join us and help create a greener future!
House Captains	Elected or appointed students will commit for one term, with the possibility of extension. They will lead fun playtime competitions, mentor younger students, and strengthen house spirit through cross-year collaborations.
House Captains and Prefects	This CCA teaches students how to plan and organise house events. They learn basic event-planning skills, teamwork, and responsibility while helping create fun and engaging activities for their house.
Student Council	Elected or appointed students will commit for one term, with the possibility of extension. Areas of focus include school improvement, fundraising, student voice initiatives, school tours, and playground mentoring.

Bayt Al Hikma

Activity	Description
A Journey to Greece: Beginner's Food & Language Fun	Oppa!! Join us on a fun journey to discover Greece! Learn simple Greek words, make and enjoy tasty Greek meals, and explore the traditions of this beautiful country through games and activities.
Arabic Grammar for Native Speakers	This CCA is tailored for Year 7 & above native Arabic speakers who can read and write. Dive deeper into Arabic grammar to strengthen your language skills, enhance sentence structure, and improve written and verbal expression in a supportive learning environment.
Bayt Al Hikma Diploma	This CCA is a compulsory element of the Bayt al-Hikma Diploma Programme. During sessions, we will discuss possible actions we can take around the UN Sustainable Development Goals and support students with any advice and resources they need. Students will have dedicated time to work on the diploma programme, which serves to stretch and challenge them beyond the curriculum.
Book Club	Where young readers embark on exciting adventures through captivating stories, fostering a love for books and imagination.
Chess for Beginners	Where young minds learn the basics of chess in a fun and friendly environment.
Chess for Intermediate	Level up your game! Join our Intermediate Chess Club and dive into strategic play with fellow students. Sharpen your skills, make new friends, and embrace the thrill of chess in a fun and supportive environment.
Christian Studies and Bible Stories	Children will explore stories, values, and teachings from the Bible in a fun and age-appropriate way. Through songs, crafts, storytelling, games, and discussions, students will learn about the life of Jesus, Christian values such as kindness, honesty, and forgiveness, and how these can be practiced in daily life. The aim is to help children develop a positive understanding of their faith, build character, and grow in a supportive, respectful environment.
Creative Writing	This CCA will provide all students interested in creative writing the opportunity to improve their abilities as writers in a fun and engaging way

Bayt Al Hikma

Activity	Description
Double Award Science Study Hub	Focus on improving knowledge and understanding of tricky aspects of Biology, Chemistry and Physics, revisiting experiments and honing exam technique.
Dungeons and Dragons	Embark on magical adventures and create epic tales in the D&D CCA. Join fellow young adventurers for imaginative storytelling, teamwork, and endless fantasy fun!
Electronics, Coding, and Computer Technology	Students will be introduced to the fundamentals of electronics and will learn how to build and program simple circuits using Arduino technology. Through practical projects, they will develop essential skills in wiring, coding, and computer architecture — including assembling and disassembling both laptop and desktop computer systems — while enhancing their technical understanding and innovative thinking.
Fine Motor Skills	A playful, hands-on club designed to help children build fine motor skills through engaging activities. Each session blends fine and gross motor exercises, like cutting, threading, building, and movement games, to strengthen coordination, control, and confidence in a fun, supportive environment.
First Aid	This CCA offers secondary students hands-on training in essential first aid techniques, including CPR, injury assessment, and AED use. Guided by a certified instructor, students will practice life-saving skills & learn to respond confidently to emergencies for all ages.
French for advanced students and DELF preparation	French CCA for advanced students focused on language mastery and DELF exam preparation.
Further Maths IAL	An introduction to mechanics, introducing the Year 9 accelerated maths group to Mechanics at A Level.
GCSE & A-Level Art Workshop (Art Students ONLY)	This is for student's who are taking GCSE or A-level Art and design. It is not open to any other students. It provides a space and valuable time to work on coursework and portfolio development for their final exam grade.

Bayt Al Hikma

Activity	Description
Global Change Makers	A creative space for our Year 5–8 global citizens, to explore global issues and take meaningful community based action linked to the UN Global Goals
Global Economics	Applying economic theory to today's global issues
History Debate Club	Students will debate topics that they have been studying in their History classes. It will give them an opportunity to prepare for their GCSEs and A-levels.
Islamic Studies by Tilawati	The Islamic Studies CCA programme will include Quran, Noorani Qaida, and crafts/activities, reflecting Islamic values and ethics. The schedule will be customized according to the students' readiness, acceptance, and levels.
Journalism & Media	This CCA aims to offer a creative and collaborative opportunity to experience journalistic writing, media production and editorial design. This CCA will help the ICS's community with covering events, producing media content and communicating through writing while developing key media and journalism skills.
LEGO Legends	LEGO pieces can be assembled and connected in many ways to construct objects, including vehicles, buildings, and working robots. Come and stretch your imagination to build something spectacularly unique in this LEGO CCA.
Mathematical puzzles	Learn strategies to solve a range of Japanese maths puzzles all involving logic. Some focused on number, some on spatial concepts
Model United Nations	In MUN, students explore diplomacy & international relations. Acting as representatives of a country, organisation, or person, they collaborate with delegates worldwide to solve global issues. This CCA enhances research, public speaking, debating, & writing skills, fostering critical thinking, teamwork, & leadership.
Non - formal Arabic speaking	Speaking non formal Arabic with non native students
Podcast Club	The Podcasting & Student Radio Club gives students the opportunity to create their own on-air voice. Each week, students plan, script, record, and edit their own podcast episodes or mini radio shows. They explore a variety of themes such as school news, trending topics, student interviews, storytelling, and comedy features.

Bayt Al Hikma

Activity	Description
Poetry Reading Corner	A cozy and creative space where students can explore poetry, practice reading aloud, and enjoy listening to different styles of poems. Students take turns sharing their favourite poems or ones they have written, building confidence, expression, and a love for language in a relaxed and supportive environment.
Preparation for the DELE exam	Students will prepare for their DELE exam on May.
Puzzles & Games Club	In this club, students will stretch their minds each week through fun, hands-on puzzles and games that spark creative and logical thinking. From riddles and word hunts to team challenges and code breaking, they'll work together to solve problems, think strategically and have loads of fun along the way!
Reading Stories in Arabic	Arabic reading comprehension and answering questions to enhance the language for native students
Robot Building	A hands-on club where children design, build, and program their own robots! They'll develop creativity, problem-solving skills, and teamwork while exploring the exciting world of robotics.
Shakespeare Club	A club where pupils explore Shakespeare's stories, act out scenes and learn about his characters and language through games and activities.
Sphero Robotics	Students learn to code and control Sphero robots through fun challenges and activities. They build problem solving skills, work together, and explore basic programming in an exciting, hands on way.
TTrockstars, Numbots & Maths Games	Practise times tables, number bonds.
Young Entrepreneurs	A fun and creative CCA where young entrepreneurs learn to develop ideas, create simple products, and explore the basics of business and selling.

Performance CCAs

Activity	Description
Ballet Dancing with Maya	In the Ballet CCA, students will learn and develop basic ballet techniques through exercises, games, and core work.
Drama & Music Club	Children enjoy singing and acting out stories. This CCA helps them have fun, be creative, and build confidence through music and play.
Hip Hop with Rajaee & Maya	Let the rhythm guide you! Join us for a dynamic and energetic exploration of hip-hop dance with professional dancer Rajaee Shehadeh, where creativity and movement come together in a vibrant and inspiring atmosphere.
Just Dance	This activity offers students a fun and structured way to stay active through choreographed routines from Just Dance. Each session focuses on rhythm, coordination and teamwork, with students selecting routines of different difficulty levels. The aim is to build confidence, encourage regular physical activity and provide a positive space for self-expression. Students practise, refine movements and work towards short group performances. No prior dance experience is required, but students are expected to participate consistently and support one another.
Music & Motion Club	A lively and creative club where children explore music through movement, dance, and rhythm-based games, building coordination, expression, and a love for music!
Music & Singing	A joyful club where children explore music through singing, rhythm, and fun group activities, building confidence, creativity, and a love for performing!
Primary Choir	Join the joy of singing! The Primary Choir is a fun and inclusive space where students explore music, build confidence, and develop their voices through a variety of songs. Open to all students who love to sing and be part of a team. No experience needed—just enthusiasm!
Zumba Dancing	A high-energy dance club where children have fun moving to lively music, learning simple routines, and staying active through exciting dance workouts!

Peripatetic Music Lessons

- Guitar
- Drums
- Flute
- Recorder
- Voice
- Piano
- Oud

Contact i.albitar@ics.edu.jo to sign your child up for a musical instrument or vocal lesson.

Sports CCAs

ICS Sports: A Place Where Every Student Can Thrive

At ICS, we're proud to offer a sports programme that is fully inclusive, supportive, and open to all. We believe every child deserves the opportunity to participate in sport, no matter their experience or ability. For this reason, we do not hold tryouts - every student who signs up will be welcomed into their chosen activity.

This term we have a busy calendar of fixtures ahead:

- **22–24 January:** U19 Girls & Boys AAC Basketball, U14 Girls & Boys AAC Basketball, and U16 Track & Field
- **29–31 January:** U16 Girls & Boys AAC Basketball
- **26–28 March:** U13 AAC Basketball (during the spring break)

This year, we're strengthening our inclusive approach by linking school team development directly to the Sports CCAs. All students, space permitting, can join the CCA for their age group. During these sessions, coaches will observe students and identify those who show commitment, teamwork, and potential.

A few weeks into the programme, selected students will be invited to represent ICS in competitive fixtures as part of the Amman Athletics Conference (AAC). These students will also be encouraged to attend additional Saturday training sessions.

Whether your child simply wants to enjoy sport with friends or aims to compete for the school, we encourage you to register them during the sign-up period.

Our competitive sports for Terms 2 and 3 will be **Basketball** and **Athletics**.

Let's give every student the chance to enjoy sport, grow in confidence, and feel part of something special.

Coach Wael

Head of PE and Director of Sports

Paid CCAs

Paid Co-Curricular Activities

ICS commits to making the CCA programme the best in the region! We want as many of our children to participate in as many activities as possible. Please consider the choices of your child or children and encourage them to sign up for something new and different.

We are subsidising the entire CCA programme, and our only paid option this term is horse riding, at a cost of **235 JD for the 14-week term.**

All transport to and from the CCA venue is also included in the price.

Should you decide that you wish to select horse riding for your child/children, then you will be asked to make the **payment for the whole term before the deadline of Sunday, 14th of December at 12 noon.**

In order to be fair to all families, we cannot accept the selection for anyone who does not meet this deadline, and we will offer the place to the next child on the waiting list. Please note that any CCA payments are non-refundable and non-transferable.

[**Click here for information on how to pay.**](#)

Payment Information

There are several ways to pay for CCAs:

- Bring the amount to school and pay in person (parent) at the Finance department (please remember to present your parent ID badge to Security).
- Send a sealed envelope into school with your child. They must take it to the Finance department - please bear in mind that **class teachers and tutors are not permitted to collect money** on behalf of your child and so it must go directly to Finance.
- Pay via bank transfer to: **Bank Al Etihad**

Name: International Community School

Account number: JOD: 0010100264515101
IBAN: JO96UBSI1010000010100264515101

Account number: USD: 0010200264515101
IBAN: JO58UBSI1010000010200264515101
SWIFT Code: UBSIJOAXXX

- Cliq: **ICSAMMAN** for payment.
Once completed, kindly send a WhatsApp message to **0780888758** with the payment details and the name for confirmation.

If paying electronically, you must state the name of your child and the name of the activity and also send a copy of your bank transfer to Ala'a Arbash at: a.arbash@ics.edu.jo.
